Chairperson *Johannes EVERS (Netherlands)*

Panelist *Georg GRIESINGER (Germany)*
Philippe BOUCHARD (France)
David KEEFE (United States)
- 18:00 **Closing**
Amelia RODRÍGUEZ (Spain)

Is PGS a good option
for my patients?

Should I follow a
“freeze-all” policy
in my clinic?

Is carrier screening
really useful?

Don't guess, but look
at the evidence!

Join us at the first
evidence-based assisted
reproductive technology
EBART meeting in
Barcelona in April 2016,
and find out the answer to
these and many more
questions.
